1997 SNYDER LECTURE IN INTERNATIONAL LAW

The Law School will present the 1997 Earl Snyder Lecture in International Law on Wednesday, Sept. 10 at Noon in the Moot Court Room. The lecture, "The True Function of Law in the International Community," will be delivered by Dr. Philip Allott, Fellow of Trinity College and Reader in International Public Law, University of Cambridge.

Dr. Allott is a law graduate of Trinity College and serves as Specialist Advisor to the House of Lords Select Committee on the European Communities and the House of Commons Foreign Affairs Committee. In addition, he serves as an advisor to the Director-General, Legal Services, of the European Commission. Dr. Allott has written numerous publications in the international field and has been a visiting professor to several national and international law schools.

In 1990, he published *Eunomia: New Order for a New World* (Oxford University Press), a general theory of national and international society. His Snyder lecture will apply his general theory to the ancient and still very controversial question of the nature of International Law and its role in the future of international society.

Everyone is invited and encouraged to attend.

ANNUAL ALUMNI WEEKEND

Students are invited to participate in several of this year's Annual Alumni Weekend events. If you're interested in golf, Assistant Dean Len Fromm has an alumni-student golf outing planned for Saturday, Sept. 13; tee time is 7:00 a.m. at the IU Golf Course. The cost is \$30.00 per person; you should register through the Students Affairs Office in Room 024.

Also, on Saturday, the School will host a pre-game tailgate party from 4:00 p.m. to 6:00 p.m. at the northwest corner of 17th and Dunn Street near the Indiana Memorial Stadium. To date, more than 150 alumni plan to join the members of the Law School faculty at the tailgate. The cost of pre-game tickets will be reduced to \$8.00 for students. Traditional tailgate food--including beer, brats and the works will be provided. Tickets for the tailgate are available from the Alumni Coordinator, Chris Zonkel, in Room 300 of the Law School.

Your attendance at these two events would be particularly meaningful to our alumni because you are the primary reason they donate their time and money. While they may feel a commitment to the place and building, it's the people they most care about the students and faculty. You also get a wonderful chance to network with alumni!

In addition to the events above, we are looking for two student helpers to assist us with the children during our class reunion luncheon at the Law School on Saturday, Sept. 13, 11 a.m - 2 p.m. Students will be paid \$6.00 per hour and enjoy lunch.

INTELLECTUAL PROPERTY/ANTITRUST PRACTITIONER

Our practitioner-in-residence program brings interesting alums to the School to participate in classes and meet with students. In addition to attending classes, alum and Practitioner-in-Residence Ed O'Connor will be available to discuss his practice and the current state of the market on Monday, Sept. 22 at 3:15 p.m. in Room 216. Mr. O'Connor is a partner practicing in the areas of patent, trademark, and antitrust litigation. His firm has offices in Irvine, California.

ANNOUNCEMENTS

ATTENTION 3L'S: GRADUATION IS ALMOST HERE

It's almost time to begin thinking about graduation, especially graduation speakers. The speaker committee compiled a list of possible speakers and we would like your input. On Monday a ballot will be in your mailbox. Please pick up your top three choices or suggest another choice. Also indicate any connections you might have with any of the potential speakers. Return the ballot to the box at the library reference desk or the labeled slot in the career services cabinet (same cabinet used for OCI) by Wednesday, Sept. 10. If you have any questions, contact: Shonda Hanks, Norm Hedges, Bernadette McKain, Ann Schooley, Lachelle Stepp, Marla Wagner or Brian Woodruff.

VOLUNTEER OPPORTUNITY

Big Brothers/Big Sisters has a list of 60 boys waiting to be matched with volunteers. The job involves about two hours per week in one-on-one interaction with a local kid. Volunteers help with homework, play games, hang out and get to know their little brothers and sisters. Studies have shown that children matched up with a Big Brother or Big Sister tend to do better in school and are less likely to get into trouble with the law. To find out more about volunteering, call 334-2828.

RESEARCH ASSISTANT NEEDED

Professor Dworkin is interested in hiring a research assistant to work on one or more of three projects: (1) an article detailing the role of the Recombinant DNA Advisory Committee (RAC) in regulating gene therapy research; (2) an article about the law that governs medical care for children; (3) a possible project about the premature release and marketing of genetic tests.

While there are no specific prerequisites for the job, good law school grades, good performance in Legal Research and Writing, having taken Law and Biomedical Advance, familiarity with administrative law, familiarity with family law and law relating to children, and enough background in genetics to be able to understand literature about genetics will each be considered positively.

Interested students should put their resumes and a telephone number where they can be reached into Professor Dworkin's mail box in the mail room on the second floor. Unlike student mail boxes, faculty mail boxes are under the faculty member's name.

RESEARCH ASSISTANT NEEDED

Steve Conrad is seeking a research assistant. The research project involves privacy and professional ethics problems related to the use of personal legal papers by legal historians. Applicants should have had, or be taking, the course Legal Professions. No other prereqs. To apply give a resume with note attached to Conrad's secretary Lynn Glaze.

SNACK BAR HOURS AND OPERATION

Howie's Bagels will be open in our snack bar from 8:30 a.m. until 1:30 p.m. Monday through Friday. In order to facilitate orders, especially between the busy 11:30 to 1:00 p.m. times, the line flow will shift from the current "right to left" direction to "left to right," ending at the cash register. Also, there will be a pick up service for that period for those who wish to place an advance order at the counter or who telephone to the snack bar before that period. The phone number is 855-7421. Those picking up orders will then go directly to the cash register for their order.

COMPUTER LAB CLOSED

The large Computer lab (208 B) will be closed on Wednesday, Sept. 10 from Noon-1:15 p.m. and 3:15-4:30 p.m. for law journal training.

BIKE PARKING

Unfortunately, bike parking is becoming the same headache as car parking. The University Architect's office advises those riding bikes that, just as with car parking, you may have to find a space a few blocks away and walk. According to their office, there are plenty of racks and spaces at Myers and Rawles, just up 3rd Street. They are not planning to add any more racks nearby. Beware: those hitching their bike to lamp posts, ramps, and miscellaneous places may get a warning ticket from Parking Enforcement, or worse yet, have their bike impounded and receive a \$20 ticket.
