Snyder Visiting Scholar

Dr. **Earl A. Snyder**, a deceased alumnus of Indiana University School of Law and Cambridge University, has generously provided support for one student (current 2L, 3L, LLM, or SJD) from Indiana University to work at the Research Centre for International Law of Cambridge University during the fall of 2008 (mid-September to mid-December). Students selected in past years have been graduating 3Ls. (A current 2L, LLM, or SJD, if selected, likely would need to take a leave of absence for the fall 2007 semester.) The scholarship provides for air fare, housing, meal allowance, and a small stipend.

The Centre contemplates that the Snyder Scholar will be in residence for about three months and will conduct extensive research, primarily of his/her own development. Because the Centre expects the Snyder Scholar to work on an international law project, applicants must have had international law or equivalent courses. The Snyder Scholar should also be committed to further study of or practice in international law. Demonstrating a commitment can be done by listing courses taken in the international law area, research in international law topics, employment in the international arena, knowledge of languages, career goals, extracurricular activities, and so on.

Applicants should provide a resume, a statement of commitment to international law, and a personal research agenda of some length. Return your completed applications to Jeanne Criswell in room 022 by Monday, Feb. 18. The preliminary selection committee will be comprised of faculty. The final selection will be made by the Cambridge University Director in late March.

Annual Spring Break Trips

The Office of Career and Professional Development is planning its annual spring break trips to Washington D.C., New York, Los Angeles, and San Francisco. Remember to express interest on Symplicity! And look for further details in upcoming OCPD newsletters. These trips are open to all students (1, 2, & 3Ls) and are a great opportunity to network with alumni and potential employers.

On-campus Interviewing

The Office of Career and Professional Development spring on-campus interviewing sign-up deadlines are at 11:59 p.m. on Monday, Feb. 11 (week #4), and Thursday, Feb. 28 (week #5). To assist you in beginning to map out your career plan, including polishing your application material, all 1L's are required to meet one-on-one with an Office of Career and Professional Development counselor at least once. We have met with more than 80 percent of 1Ls, but if you are one of the few who have not yet met with a counselor, please stop by the office soon to schedule your session. The deadline to complete your first session is Friday, Feb 15.
