**Intro to OCPD has been rescheduled to October 23, room 121**

If you already reserved on Symplicity, you do not need to sign up again.

### **Sign up for the Amazing Race Judicata!**

On October 7, SBA will host its Second Annual Amazing Race Judicata. The proceeds from this event will help provide local families with Thanksgiving meals. Anyone can participate!

We will have a series of challenge points around IU's campus. All participants will start with a series of clues, and each clue will take you to a challenge point where you will complete a mystery challenge in order to gain permission to move to the next station. This race is entirely on foot so while we encourage you to be creative, please plan on wearing comfortable sneakers and

leaving your wheels at home. Last year's competitors finished the race in under an hour, so this is the perfect way to kick off a new week and still have time to study.

You may either sign up as a group of two or three people.

The donation for a two person team is \$10.

The donation for a team of 3 people is \$15.

There will be prizes for the first and second place teams, and breakfast for all participants. We will be selling tickets for this event in the lobby every day from 12-1. One member of your team may register and pay for the entire team.

#### **Research Opportunity in School of Education**

If you are a 2L or 3L interested in being hired to conduct legal research, editing, and bluebooking for a professor in the School of Education, please contact Janet Decker at [deckerjr@indiana.edu](mailto:deckerjr@indiana.edu).

#### **Faculty News**

Emeritus Professor **Tom Schornhorst** reports that the case he argued in the Indiana Court of Appeals on August 21, 2012 (reported previously in ILA) has been decided unanimously in favor of his client. The case, among other things, places a significant restriction on prosecutors' misuse of hearsay evidence in the guise of "course of investigation" testimony by police officers. Professor Schornhorst attributes much of the success on this appeal to our resident federal jurist Judge David Hamilton's opinion in *Jones v. Basinger*, 635 F.3d 1030 (7th Cir. 2011).

Read [Kindred v. State of Indiana](#).

Professor **Mark D. Janis** gave talks in Ohio on September 20 and 21 as part of the 22nd All Ohio Annual Institute on Intellectual Property conference. His presentations focused on functionality in trade dress and design law.
