Leaving an abusive partner can be a life-saving intervention for a survivor of intimate partner violence (IPV). As survivors attempt to leave, they face a heightened risk of physical violence. One study claims that 75 percent of women who are killed by an intimate partner are killed as they attempt to leave or after they have left. This means that when a person decides to leave an abusive relationship, it is urgent that they can quickly access whatever tools they need to establish a safe distance from their abuser.

Witnesses needed for Advocacy Board's Internal Trial Competition

Our spring competition takes place the weekends of February 17-18 and 24-25. This year, 1Ls will compete in their own Novice bracket, and we would like to invite you to join in on the fun by playing witnesses. The problem file contains mock depositions from different witnesses. As part of the competition, you will assume the role of a witness and answer
questions on the stand. Complete this form if interested.

Competition board coordinator Michael Gilger will let you know which roles and trial times you have been assigned. In addition to providing a meaningful academic experience, the competitions are a great way to meet members of the 2L and 3L classes and build a sense of community with your classmates.

Email questions to Michael at mgilger@iu.edu.

**Study abroad applications due Friday, February 3**

Students interested in studying abroad for the fall semester or full year 2023-24 should submit our study abroad application by 4:59 p.m. on Friday, February 3. Students are encouraged to make an appointment to speak with Dean Lesley Davis before applying. For more information, see the Canvas announcement from December 20 on your class Canvas page.

**2023 graduates: report your cumulative pro bono hours by April 1**

You will be required to report your cumulative pro bono hours by April 1 to be recognized at graduation. The Law School will send out a Qualtrics form when we get closer to April. Check the Access to Justice Program website for more information.

**Basic mediation and restorative justice training: Winter 2023**

The Community Justice and Mediation Center (CJAM) offers a 40-hour training program for those interested in learning about conflict resolution, mediation, and restorative justice. Participants will enhance their interpersonal skills in communication and listening, problem solving, and negotiation, and they will increase their understanding of restorative
justice philosophy and methods, sources of conflict, and processes leading to constructive conflict resolution. The training should benefit anyone concerned with managing conflict and its resolution. The training also provides the background and skills necessary to work as a community mediator and restorative justice practitioner and qualifies participants to volunteer in CJAM’s programs. The training will be led by senior mediators and restorative justice practitioners.

This winter, the training will take place via Zoom Thursday evenings, 7 - 9 p.m., and Saturdays, 8:30 a.m. - 3 p.m., over five weeks beginning February 2 and continuing through March 4. Tuition is $300. Learn more about the training or register. You may apply for a scholarship. For questions or more information, e-mail training@cjamcenter.org.
