Snyder Scholarship at Cambridge University: Application deadline Sunday, April 16

Applications are now being accepted for the position of the Snyder Visiting Scholar at the Lauterpacht Centre for International Law at Cambridge University, England. Dr. Earl A. Snyder, a deceased alumnus of Indiana University Maurer School of Law and Cambridge University, has generously provided support for one student to work at the Lauterpacht Centre for International Law of Cambridge University during the fall of 2023 (mid-September to mid-December).

The scholarship provides for airfare, housing at the Centre, meal allowance, and a small stipend. The Snyder Scholar will be in residence for about three months and will conduct extensive research, primarily of their own choosing. Because the Centre expects the Snyder Scholar to work on an international law project, applicants must have had international law or equivalent courses. The Snyder Scholar should also be committed to further study of or practice in international law. Demonstrating a commitment can be done by listing courses taken in the international law area, research in international law topics, employment in the international arena, knowledge of languages, career goals, extracurricular activities and so on. Competitive applications will demonstrate a link between the applicant’s research topic and the areas of expertise embodied by the Centre and its fellows and researchers.

Applicants should provide: 1) a resume; and 2) a statement of commitment to international law; and 3) a personal research agenda of some length.

Submit these materials to Dean Lesley Davis via email at leedavis@indiana.edu by April 16 for consideration by the Snyder Scholarship Committee.

3L pledge campaign
Calling all 3Ls! Every year the 3L class has a campaign for pledges toward the Law School's Fund for Excellence. The fund is managed by the dean to support programs and initiatives like our five journals, our 40+ student organizations, student scholarships, student and academic support through CSO and OSA, and moot court programs. A pledge towards the Fund for Excellence helps to ensure we can continue to offer and expand the programs and support we offer our students. Should you choose to pledge, there will be a campaign celebration 5 - 7 p.m. on Thursday, May 4 at The Upstairs Pub. Attendees will receive two drink tickets and food will be provided. If you have any questions or concerns, please contact 3L Megan Riley (megrite@iu.edu).

Make your pledge.
