COMPILATION OF LAWS RELATING TO MEDIATION, CONCILIATION, AND ARBITRATION BETWEEN EMPLOYERS AND EMPLOYEES, by Elmer A. Lewis. 1941. 450 p. For sale by the Superintendent of Documents, Washington, D.C. Price, 40¢.

If this publication were well organized and carefully indexed it might be a valuable volume. As it stands it is only an accumulation of federal statutes, somewhat kindred in subject and remotely related to the title.

The volume includes: Child labor laws, eight-hour laws, social security laws, laws relating to public contracts, the Vinson-Trammel (profit limitation) act and amendments, employer liability laws, including liability of the Federal government as an employer, laws dealing with wages on public works construction and work on contracts with the government, Railway labor acts, the Norris-LaGuardia Act, and others too numerous to mention. Unfortunately the work is neither well organized, nor well indexed. Still, it's a lot of law for 40¢.
