JUDICIAL COUNCIL ANNOUNCEMENT OF ANNUAL REPORT

The Annual Report of the Indiana Judicial Council this year will be published in two parts. The *first* part will contain the judicial statistics for 1937 and a bill which the Council is recommending to the General Assembly on the subject of the Assignment of Judges. The *second* part will contain a suggested revision of the Federal Rules of Civil Procedure for possible adoption in this state together with comments as to the changes effected in the Indiana practice by the suggested new rules.

The first part will be ready for distribution about the middle of December. A limited number of copies will be sent to the clerks of each county and the presidents of local bar associations. Anyone interested in securing a copy may secure one by writing to the secretary.

Sufficient copies of the second part will be printed so that every lawyer in the state can be furnished with a copy. The second part of the report will be ready for distribution around the first of January. A sufficient supply will be sent to the clerk of each county so that a copy will be available for each lawyer in the county.
