## MESSAGE OF THE PRESIDENT

Since the appointment of the committees for the ensuing year, those who have reports to make at the mid-winter meeting have been active in their work and we hope to have some real progress to record at that meeting.

Mr. Cole, our vice-president and chairman of the membership committee, is working diligently securing new members and perfecting his organization in the various districts.

The date for the mid-winter meeting has not been definitely determined, but since the last annual meeting was held later than usual it is thought best to have the next meeting not earlier than January. We presume the usual custom of having this meeting in Indianapolis will be followed.

The board of managers will meet in the near future to determine the date and we shall try to arrange an interesting and instructive program.

Of course, each member will be personally notified of the date, and we shall look forward to having a large attendance.

*Fred C. Gause, President.*
