Good afternoon,

Yes the Indiana University Maurer School of Law has the Journal's permission. Please let me know if you have any further questions or concerns.

Best regards,
Vanessa Kamman

Subject: permissions question

Does the Indiana University Maurer School of Law, Jerome Hall

Law Library, have permission to load a copy of the article, “The American Experience with Employee Noncompete Clauses- Constraints on Employees Flourish. . .” from you current issue, onto our digital repository? One of the authors is a faculty member here, Dau-Schmidt.
